

2024-2025

School Fees

Dear Parents/ Guardians/ Students,

Hope you are all doing well, enjoyed a lovely summer and you are now ready for the new school year.

This Fees information booklet aims at presenting the lesson fees for the school year 2023-2024. For more than a decade we have consistently maintained our school fees to an affordable rate, and we have always tried our best, even through difficult times, to fundraise to cover the financial needs of our school and to sustain its operation without disruptions and without raising fees. The past two years however has pushed our school to a difficult financial situation and to an even more difficult position in terms of maintaining our branches with a smaller number of students.

Despite the financial challenges and struggles from the previous years, which extended to the year 2023-2024, we decided that we will not increase the fees for the year 2024-2025, thanks to people who have generously helped the school financially with their generous donations.

In the 2024-2025 the school had an estimated income (Tuition fees, Exam Fees, Donations, Fundraising, and from Events) of £68900 compared to £71350 from year 2022-2023 and also Expenditure of £59187 (salaries) £25 000 repairs and refurbishment £6500 (school Supplies, stationery and books, copies, telephone bills, DBS, Legal and Liability Insurance, Trainings) and £1800 blinds and carpet, Security Company £1800. We had also Donations from the Church £2540, Philanthropic Committee £1000 for the repairs of the school.

For struggling families our school is happy to support with fees, only following the formal procedure for application for supporting with fees where all supporting documentation must be submitted-as required in the FP and described in the following pages. All applications must be submitted by the 30th September (see page 4).

We would like to wish each and every one of you a good new school year. We would also like to assure your that here, at the GSAT, we do everything possible to support the Greek learning of your child and to make their learning journey a positive, motivating, and exciting experience! We are here to help, please do not hesitate to contact us or apply directly for the discount by completing the following form: <https://forms.office.com/r/cC5wZcWyp8>

[a] total monthly family income £0-£990: For extreme cases of struggling families, school will consider waiving the fees in full (non-working parents, parents with mental illness, children in protecting custody, and vulnerable children, parents with greater financial difficulty. Cases of families with exceptional difficulties which may not be financial may also be reviewed for waiving the fees in full etc). These families will have to provide documentation that proves lack of financial means and low income

[b] total monthly family income £991-£1500: up to 25% discount, two monthly instalments, four instalments

[c] struggling families for other reasons who do not fit in the above two groups but have submitted the relevant documents to prove this: school may consider individual payment plan (e.g payment in three or six monthly instalments by standing order or direct debit), or even waiving the fees in full for families who are under difficult circumstances which the school is aware for.

- If you wish the finance team to consider further discount* on the fees of your child(ren) please complete the following online application and upload or email at financedept@greeksat.org.uk all relevant supporting documents as per information provided in previous sections of this document. Message from our teachers
by Evi Platsi & Maria Kotsali

Dear all,

We are welcoming you to the final newsletter of the year. And what an incredible year it has been! On behalf of all the staff here at Aya Triada Greek school, we would like to take this opportunity to pass on our upmost and sincerest thanks to each and everyone of you for all your work, patience and support. THANK YOU!

The children have worked extremely hard throughout the year and are really deserving of a restful and relaxing summer holiday.

This month has been a very exciting one for both students and teachers as it was full of fun events and activities. A lovely and well spent Saturday, where the children had the chance to

enjoy a Greek Cypriot brunch, a beyond amazing end of year trip to Chessington World of Adventure, and of course, our end of year celebrations were without a doubt the highlights of this past month.

June was also the month our older students sat their GCSE and A Level exams. We wish them all the best of luck with their results. Our younger pupils had their end of year assessments and the teachers were happy to see that all the hard work has paid off.

We hope you all have an amazing summer and we are looking forward to welcome you back to school in September. Καλό καλοκαίρι!
