2026-2027
School Fees

Dear Parents, Guardians, and Students,

We hope this message finds you well and that you have enjoyed a restful and enjoyable summer break.

As we prepare to welcome our students back for the 2026-2027 academic year, we are pleased to share the updated Tuition Fees Information Booklet.

For more than a decade, we have remained committed to keeping tuition fees as affordable as possible for our families. Throughout this period, even during times of financial uncertainty, we have relied on fundraising initiatives and community support to meet the school's financial obligations and ensure the continued delivery of high-quality education without increasing fees.

However, recent years have presented significant financial challenges. Rising living costs, increased operational expenses, and lower student enrolment across our branches have placed considerable pressure on the school's resources. After careful consideration, it has become necessary to implement a modest adjustment to our fee structure to ensure the long-term sustainability of our programmes and services.

For the 2026-2027 academic year, the school's estimated income—including tuition fees, examination fees, donations, fundraising activities, and event proceeds—is approximately £95,760

Estimated expenditures for the same period include:

- £49,049 in staff salaries
- £13,650 for repairs and refurbishment
- £3,675 for school supplies, stationery, books, communication costs, rent, DBS checks, legal and liability insurance, and staff training, exams fees to Exams Board

Despite these challenges, we remain committed to supporting families experiencing financial hardship. Parents and guardians wishing to apply for a fee reduction must follow the formal application process outlined in the school's Financial Policy and submit all required supporting documentation.

Please note that the deadline for fee reduction applications is 30 September. Further information can be found on Page 4 of the Tuition Fees Information Booklet.

We would like to thank you for your continued support and trust in our school community. We wish all our students and families a successful, productive, and rewarding academic year. At GSAT, we remain dedicated to providing a rich, engaging, and high-quality Greek language learning experience for every child.

Should you have any questions or require further assistance, please do not hesitate to contact us. Families seeking financial support may also apply directly using the designated application form.

Support with Fees

- We will prioritise families in greater need, based on the documents provided for relief from school fees or for discount. In the cases where the school receives many such claims for relief and discount from school contributions, this will be offered to families as follows:

[a] total monthly family income £0-£990: For extreme cases of struggling families, school will consider waiving the fees in full (non-working parents, parents with mental illness, children in protecting custody, and vulnerable children, parents with greater financial difficulty. Cases of families with exceptional difficulties which may not be financial may also be reviewed for waiving the fees in full etc). These families will have to provide documentation that proves lack of financial means and low income-pay only for books and school jumper per child £75

[b] total monthly family income £991-£1500: up to 25% discount, two monthly instalments, four instalments

[c] struggling families for other reasons who do not fit in the above two groups but have submitted the relevant documents to prove this: school may consider individual payment plan (e.g payment in three or six monthly instalments by standing order or direct debit), or even waiving the fees in full for families who are under difficult circumstances which the school is aware of.

- If you wish the finance team to consider further discount* on the fees of your child(ren) please complete the following online application and upload or email at financedept@greeksat.org.uk all relevant supporting documents as per information provided in previous sections of this document. For more information please read the extended Finance Policy document
- Discounts do not apply to one-to-one lessons
