Message from our teachers

Dear Parents and Children,

Welcome to a new school year at the Greek School of Ayia Triada Birmingham.

It has been lovely to see our classrooms filled once again with happy faces, excitement and enthusiasm. A new school year is always a fresh beginning, full of opportunities to learn, grow, make new friendships and create special memories together. In Early Years, we are looking forward to a wonderful year of learning through play, stories, songs, creativity and discovery, while helping the children build their confidence and develop their Greek language skills in a warm and supportive environment.

Thank you to all our parents for your continued trust, encouragement and support. Working together makes such a difference to the children's experience and progress. To all our little learners, we hope you enjoy every moment, ask lots of questions, try new things and, most importantly, have fun along the way.

Wishing all our families a happy, successful and colourful school year ahead.

Mrs D Takirdiki, Early Years Lead
